**An Open Letter to All Parents:**

Metro Vancouver Housing Corp (MVHC) is a non-profit affordable housing provider owned by Metro Vancouver (formerly the GVRD) – your regional government. We have just under 3,400 rental apartment and townhouse suites across the metropolitan Vancouver area including 3 complexes in Burnaby.

We offer affordable housing suites for low and middle income families. Our attractive low cost rental units (both apartments and town homes) are for households whose income is within certain guidelines.

Our housing sites are for families! They are very close to primary and secondary schools. Most are near public transit and shopping hubs. Each suite includes basic appliances (fridge and stove), drapes and wall to wall carpeting with common laundry facilities. We have space for children to play. Some sites have a park-like setting with large grassy areas and playgrounds. We are a pet friendly landlord although some exceptions do apply. A number of our sites have tenant associations that work with Metro on all sorts of initiatives, like community gardens and community kitchens – free and fun!

You can find our Burnaby sites at the following locations:

**Eastburn Square: 7730 6<sup>th</sup> Street**

**Greystone Village: 7485 Woodbrook Place**

**Ran Beamish Place: 8750 Maple Grove Crescent**

If you are interested, please feel free to drive by and contact us for more information or an application. You can reach us at 604-432-6300 or visit our website at [www.metrovancover.org/services/housing](http://www.metrovancover.org/services/housing).
